## October LCS

The Oct. 4th concert kicks off IAMA LCS season with **Columbia Jones and The Proper Way**.

**Columbia Jones** has spent the better part of the last three years traveling the country as a blues-fueled one-man band - a path that has helped him to develop the dynamic range of country, rock and folk influences showcased in his first full-length studio album, *I'm a Terrible Human Being*.

While musically the album blends genres throughout, lyrically many of the tracks serve to support the thesis statement presented by the album's title. Columbia relates the particulars of making a living as a full-time traveling musician against the contrasting backdrop of "grownup" expectations and the accompanying "real world" measurements of success as either a tongue-in-cheek expression, or a pious confession.

However, *I'm a Terrible Human Being* is more than an existential exercise for Columbia Jones. In addition to the writing and performing, Jones also engineered, produced, and mixed most of the album on his own. It's a level of involvement that gives the record a personal touch and convinces us that Columbia isn't all that terrible after all.

**The Proper Way** formed in 2016 when multi-instrumentalist singer-songwriters **Scott Rogers** (vocals, guitar, banjo, mandolin) and **Shane Osguthorpe** (vocals, piano, guitar) met while performing at a music festival in Ogden, UT. The duo quickly hit the road, with its first performances as The Proper Way taking place on a week-long run in the Lake Tahoe area. Since

 then, the band has become a staple of the northern Utah music scene and has toured from California to Colorado. They released a CD in 2016, and two EPs of original music are coming in 2019.

In 2017, The Proper Way approached Ogden singer-songwriter **Carrie Myers** (vocals, ukulele) to collaborate on a studio project. *Ain't No Good Thing Ever Dies*, a collection of obscure songs by Tom Waits and Bob Dylan, was released in October, 2018. During the recording process, the trio enlisted the help of Ogden-based guitarist and lap-steel wizard **Ryan Hawthorn** (vocals, guitar).

The result of this alliance is a new project, **Carrie Myers + The Proper Way**, and this three-piece (and often four- or five-piece) is busy writing songs and performing for crowds all over the region.

The Intermountain Acoustic Music Association thanks the voters of Salt Lake County for their support of the **Zoo, Arts & Parks program**. One-tenth of one percent of the Salt Lake County sales tax goes to support local cultural, botanical, and zoological organizations. This funding has not only stabilized many of Salt Lake's cultural organizations, but has also funded the construction of new recreational facilities, and improved walking trails. ZAP funding helps to provide "free" days, free concerts, and reduced ticket prices for students.
